PITSS and DLT Solutions Sign Distribution and GSA Partner Agreement

Now federal, state and local agencies have access to PITSS products through the GSA and Cooperative Purchasing Program

Herndon, VA — June 25, 2009 —PITSS, the Oracle Forms and Reports Modernization Experts, has completed a distribution agreement with DLT Solutions, Inc., a value-added reseller of information technology products and services to government .

“The products PITSS offers contain a comprehensive set of unique functionalities for Oracle Forms and Reports applications enhancement. They provide quality, cost efficient and timely solutions, which are important criteria to our customer base,” stated Russ Holmes, vice president, Enterprise Applications Division for DLT Solutions. “We are excited about our partnership to distribute their value-added and mission-critical development solutions.” The distribution agreement includes all of PITSS’ award-winning products, which will be made available on DLT’s GSA Schedule, DLT GS-35F-4543G.

“PITSS software solution complements DLT Solution’s Technology and Services portfolio for our mutual customers. We recognize the professional subject matter expertise DLT Solutions is contributing to our customers in the public sector. We believe this partnership will ultimately allow us to serve our customers even better by combining PITSS.CON’s proven strengths with the expertise and additional services they need to rapidly modernize their Oracle Forms Applications,” said Martin Disterheft, president of PITSS America LLC.

About PITSS

PITSS is a leading supplier of complete solutions for managing Oracle Forms and Report applications. The company deploys its innovative PITSS converter software to help customers analyze, migrate, and maintain their Oracle Forms applications. PITSS is an Oracle Certified Advantage Partner and has made its name internationally through successful modernization projects of legacy Oracle Forms and Report applications.
